

BIRRA CADORE

Bottom-fermented blonde beer inspired by the German tradition, straw yellow in color, with honey notes provided by the cereals and a smooth, round finish. Light floral and herbal hopping, with a restrained and balanced bitterness.

Ingredients: water, **barley malt**, hops, yeast.
Brewed with cereals, contains gluten.

Bottom-fermented red beer, with an intense amber-red color, presenting a persistent and compact head. On the nose, delicate caramelized and vegetal notes emerge, while on the palate it reveals a round, smooth, and pleasantly malty body.

Ingredients: water, **barley malt**, hops, yeast.
Brewed with cereals, contains gluten.

BIRRA CADORE

Top-fermented white beer in the Belgian style. The use of four cereals gives this beer a refined and articulated aromatic profile, with elegant fruity and spicy notes. In appearance, it shows a bright golden color, crowned by an abundant, compact, and persistent head.

Ingredients: water, **barley malt**, hops, yeast.
Brewed with cereals, contains gluten.

Top-fermented Session India Pale Ale, distinguished by a more moderate alcohol content. Pale and slightly hazy in color, it expresses a fresh and intense aromatic profile, in which generous dry-hopping enhances notes of exotic fruit and citrus.

Ingredients: water, **barley malt**, hops, yeast.
Brewed with cereals, contains gluten.

BIRRA CADORE

Non-alcoholic beer produced with a special yeast that does not convert sugars into alcohol. This allows the flavor and aroma of the original beer to be preserved.

Ingredients: water, **barley malt**, hops, yeast.
Brewed with cereals, contains gluten.

Bottom-fermented blonde beer, bright golden yellow in color with a fine head, fresh aromas of cereal and hay, a malty body in harmony with the bitterness of fine hops. Store in a cool, dry place.

Ingredients: water, **barley malt**, hops, yeast.
Brewed with cereals, contains gluten.
